EXPERIENCE

Quality Engineer
RetailMeNot, Inc - Austin, TX │ Nov 2016 - Oct 2018

Verified the integrity of new features during integration and created test cases to support them.

Participated in regular stand-ups and meetings to provide progress updates on testing efforts.

Debugged and fixed errors in Swift automation code.

QA Consultant (Contractor)
Luna Data Solution - Austin, TX │ May 2015 - Nov 2016

Completed weekly manual regression tests for Android and iOS platforms using TestRail.

Used black box testing methods to complete exploratory and smoke testing phases.

Successfully improved Android and iOS crash-free rating to over 90% in Crashlytics, leading to an increase in app profits and decrease in user support issues.

Price Assurance Team Member
Super Target - San Antonio, TX │ Oct 2009 - Jan 2013

Maintained and updated merchandise pricing information throughout the sales-floor and point-of-sale system.

Cross-trained in all store departments to ensure quality standards upheld when processing merchandise.

Communicated with customers, team members, & department managers to resolve pricing questions and discrepancies.

Loan Processor / IT Assistant (Part-Time)
Nichols Home Lending - San Antonio, TX │ Feb 2009 - Jul 2009

Organized, audited, & digitally processed clients' portfolios for the loan officers.

Assisted with installation, configuration, and maintenance of computer systems and equipment.

Provided technical computer support for the office.

Front-End Web Intern
D.A.T.A - San Antonio, TX │ May 2008 - May 2009

Served as web administrator for Roosevelt Highschool's & D.A.T.A's websites.

Designed and developed websites for school organizations and local businesses using HTML, CSS, & JavaScript.

Tested and debugged websites to ensure an optimal user experience.
